NOTE:

*All entry fees and accommodation prices assume shared occupancy rooms. Unless otherwise stated, entry fees include accommodation.

**All entry fees and prize money are predicted amounts based on exchange rates in October 2010. Please confirm with the tournament directly.

-- All entries for the NEC Singles Masters and Invacore Doubles Masters must be sent directly to the ITF.

- Where Women and Quad draws are not indicated on the ITF Website or in the ITF Tournament Guide, it is assumed that those events do not offer these draws. If, nevertheless, enough women and quad players enter these events, ranking points will be awarded from one classification lower than the men (except for Futures events where classification remains the same for all three categories).

- With the exception of Grand Slams, Super Series and ITF 1 events there are no set draw sizes for quad and women players.

2011 NEC WHEELCHAIR TENNIS TOUR

DRAWS

Main Draw: men (women and quad draws at selected events)

The following descriptions apply to the men's draws at all events and women's and quad draws at Super Series and ITF 1 events.

Singles

The ranking is one complete list and the highest ranked players entering the tournament fill the set draw size, which is determined by the ITF. A set maximum number of Wild Cards and Feed Up Cards are available. Entry into the Main Draw and the seeds are determined based on the ITF Wheelchair Tennis Singles Ranking of the previous week.

Doubles

The highest ranked teams, drawn on the first day of the tournament fill the set draw size, which is determined by the ITF. A set maximum number of Wild Cards and Feed Up Cards are available. Entry into the Main Draw and the seeds are determined based on the combined doubles ranking of the previous week. Acceptance into the singles Main Draw does not give players automatic entry into the doubles Main Draw.

Second Draw: men (women and quad draws at selected events)

The following descriptions apply to men's draws at all events and women's and quad draws at Super Series and ITF 1 events.

Singles

Players who have not been accepted in the Main Draw will be included in the Second Draw. The ITF determines the minimum set draw size. The ITF will allow a larger draw size, although points will only be awarded for the draw size as identified by the ITF. Entry into the Second Draw and the seeds are determined based on the ITF Wheelchair Tennis Singles Ranking of the previous week.

Doubles

Teams who have not been accepted in the Main Draw will be included in the Second Draw. The ITF determines the minimum set draw size. The ITF will allow a larger draw size, although points will only be awarded for the draw size as identified by the ITF. Entry into the Second Draw and the seeds are determined based on the combined doubles ranking of the previous week. At ITF 3 and Futures events the Main Draw and Second Draw doubles can be combined in order to ensure draws have enough doubles teams to constitute a draw. Ranking points, however, will only be awarded from the set draw size advertised. Acceptance into the singles Second Draw does not give players automatic entry into the doubles Second Draw.

Main Draw: Women and Quads

Women and quad players (with the exception of the quad draws at the events mentioned above) will play in one extended Main Draw.

MANDATORY EVENTS

The Grand Slams and NEC Singles Masters are mandatory events for those players who qualify at the entry deadline. If a player who receives direct entry chooses not to attend, he/she will receive "0" points and the event will be included in the best of "x" events (best of 9 for the men, best of 7 for the women and best of 6 for the quads).

RESTRICTIONS FOR TOP PLAYERS

The following rule applies at the entry deadline of a tournament.

MEN:

- Players ranked in the top 20 at entry deadline cannot enter any Futures events.
- Players ranked in top 10 at entry deadline can play only two (2) ITF 3 events per year.

WOMEN:

- Players ranked in the top 10 at entry deadline cannot play any Futures events.
- Players ranked in the top 5 at entry deadline can play only two (2) ITF 3 events per year.

QUADS:

- Players ranked in the top 4 at entry deadline cannot play any Futures events.

If ranking of any of the players mentioned above changes to outside of the restricted ranking at any time after the entry deadline, a player can be awarded a Wild Card.

Men/Women/Quads

Men, women and quad players are only permitted to enter one singles, one doubles event and one consolation event per tournament. Additional entry to mixed doubles, a senior and junior event is at the discretion of the tournament. Where a Quad draw is offered a quad player is only permitted to play in Quad singles and Quad doubles.

WILD CARDS AND FEED UP CARDS

Wild Cards (singles & doubles)

The number of Wild Cards will be allocated according to the set draw size as stipulated in the Wheelchair Tennis Handbook. Wild Cards may be given at the discretion of the tournament and can be allocated after the entry deadline.

Feed Up Cards (singles only)

Feed Up Cards will be awarded to the winner of the Second Draw. Players can use their Feed Up Cards to enter the Main Draw at upcoming events that are lower, the same level or one level higher classified than the one at which they won the Second Draw. The number of Feed Up Cards will be allocated according to the set draw size.

Winner of 2nd Draw Futures ⇒ Feed up card for Futures – ITF 3

Winner of 2nd Draw ITF 3 ⇒ Feed up card for Futures – ITF 3 – ITF 2

Winner of 2nd Draw ITF 2 ⇒ Feed up card for Futures – ITF 3 – ITF 2 – ITF 1

Winner of 2nd Draw ITF 1 ⇒ Feed up card for Futures – ITF 3 – ITF 2 – ITF – SS

Winner of 2nd Draw SS ⇒ Feed up card for Futures – ITF 3 – ITF 2 – ITF – SS

Feed Up cards cannot be used to enter Grand Slam and Masters events.

Tournaments must allocate the Feed Up card at the entry deadline. In case a number of players apply to use their Feed Up Card at the same tournament, the tournament must accept the highest ranked player by the entry deadline of the tournament. Players must use their Feed Up Card within six (6) months after winning the tournament.

If there are no requests for Feed Up Cards, these places will be used for the next player on the ranking list.

ENTRY DEADLINE/ACCEPTANCE INTO TOURNAMENT AND SEEDING

NEC Wheelchair Tennis Ranking

The NEC Wheelchair Tennis ranking is calculated by combining the points of the top nine (9) tournaments for men, the top seven (7) tournaments for women and the top six (6) tournaments for quads, based on a 52 week roll-over period. All players must have competed in a minimum of two events and have earned points from the two events to obtain a ranking.

The following draws of any tournament are eligible to gain points on the NEC Wheelchair Tennis ranking:-

SS and ITF 1 – Futures Events

- Men's Main Draw and Second Draw, singles and doubles.
- Quad and Women's Main and Second Draws (where applicable), singles and doubles.

GS and Masters Events

- Men's, women's and quad Main Draw, singles and/or doubles.

Consolation

Tournaments are requested to organise a consolation draw for all the first round losers of all the Main singles draws. Seeded players losing in the second round who have received a 'bye' in the first round are not allowed to play Consolation Draw.

It is the responsibility of the tournament and players to verify if there are enough players in a draw to receive ranking points.

Players who wish to play consolation must sign in with the tournament. Players are not obligated to play consolation. Under no circumstances should a tournament include a player in the consolation draw that has not signed in. Points will be awarded to the winner and runner-up of the men's, women's and quad consolation draws at Futures to ITF 1 Series events. At Super Series events the semi-finalists of the men's, women's and quad consolation draws will also receive ranking points. There should be a minimum of four players for points to be awarded. No bonus points will be awarded in the consolation draw. The Wheelchair Tennis Code of Conduct will be enforced in all consolation draw matches.

Qualifying pre-round

When there are less than 5 singles players or 5 doubles teams in the Second Draw of an NEC Tour event, a qualifying pre-round shall be played to qualify for the Main Draw. The lowest ranked players in the Main Draw and the players who should be in the Second Draw will be drawn to play in the pre-round. Losers in the pre-round will receive 1 point and will have the option of playing Main Draw Consolation.

Late withdrawal

If late withdrawals affect the minimum number of players needed, rankings points will still be awarded for the draw provided the Referee has informed the ITF of the withdrawal.

Doubles draws

From Super Series to ITF 2 in all divisions there needs to be a minimum of 5 doubles pairs for rankings points to be awarded.

At ITF 3 events, women and Quad doubles draws, there needs to be a minimum of 4 doubles teams for ranking points to be awarded.

At ITF Futures events, women and quad doubles draws, there needs to be a minimum of 3 doubles teams for ranking points to be awarded.

Points allocation

- A player is awarded points according to the round achieved.
- A player losing in the pre-round is awarded one (1) point.
- A player losing in the first round is awarded two (2) points.
- A player who receives a "bye" in the first round and loses in the second round receives two (2) points.
- A player who receives a "walkover" in the first round, and loses in the second round, receives second round points.
- A player who is deemed a "No Show" in the first round will receive no points and no prize money for that draw.
- A player who receives a walkover in a round does not receive bonus points for that round.
- There are no separate point tables for doubles. The same line of points will be allocated as for the singles draws.

Tied Ranking

When two or more players have the same total number of points, ties shall be broken as follows:

1. The number of events played e.g. the player with the least number of events played will be ranked higher.
2. If two or more players are still equal, players will be ranked based on the classification of tournaments where points have been won e.g. SS and ITF 1 receive higher recognition.

Bonus points

Bonus points are awarded in each round for defeating a player who is ranked in the top part of the ranking. Bonus points are calculated weekly for every tournament, which is included on the NEC Wheelchair Tennis Tour ranking. The bonus points system for Men, Women and Quads is as follows:

Ranking		Bonus points received:				
Singles	Doubles	GS	SS	ITF 1	ITF 2/3/Futures	
1	2-3	100	75	50	25	
2-5	4-10	75	51	34	17

21-30	41-60	10	6	4	2	
31-50	61-100	5	3	2	1	

Note: Bonus points for doubles are based on the combined ranking of the doubles pair.

At the NEC Singles Masters and Invacare Doubles Masters the bonus points will be the same as those awarded for Grand Slams.

Bonus Points will be awarded at the World Team Cup. The bonus points will be the same as those awarded at ITF 1 events. Round points will not apply.
